

Mark your calendar, The Sharon Flag Day Program is on June 14, 2015!

The Veteran's Agent requests your involvement in a modified United States Flag Day Program that will take place on Sunday evening at the Sharon Veterans Memorial Park located off Beach St. Sharon, MA.

Mark Valentine, the custodian of the Mount Rushmore U. S. Flag, will be bringing several large historical United States Flags to the event. Those present will be invited to unfurl and carry in a horizontal position one of these U. S. Flags. To extend and display one flag we require approximately twenty-five people standing near each other to grasp and maneuver the edge of the cloth flag.

The Town of Sharon Flag Day Program will commence at 6:45 PM, Mr. Valentine will conclude the program with the involvement of all present. As you know, this year the Town of Sharon is conducting our 250th Anniversary. Be part of the Anniversary!

Do You Want to Participate in Flag Day?

An organization/group having 25 members can be assigned to one flag. If each person in the group is in like uniform, the presentation will be impressive and memorable. The uniform/attire can be veteran caps, same shirt color, helmet, firefighter hat, scout uniform or other identifiable attire. Peers from surrounding communities may supplement your organization in order to have 25 person grouping. It is our intent to have a photographer cover the event.

Parking will be available at the Sharon High School parking lot which is across the street.
